It's me Brandy from Memphis again. Just happened to be driving down Elvis Presley Boulevard this weekend when who should I run into but Elvis himself! Well, he invited me down to the Jungle Room, and when I mentioned to him that today was your birthday he wished for me to send you all his best regards for your Special Day!! He also said to please come and visit him next time you're here. (He's a very elusive person, so you should feel honored about that) He said to tell you that he loved your movie Mister Foe and he's looking forward to Race to Witch Mountain.

If I had a guitar I'd sing it to you .. but as I don't... ..

ahem

Estas son.. las mañanitas..
que cantaba el Rey David..
a los muchachos ... tan guapos ...
se las cantamos aquí....

Despierta mi bien despierta
mira que ya amaneció...
ya los pajarillos cantan...
la luna ya se metió.

Que linda esta la mañana...
en que vengo a saludarte...
venimos todos con gusto...
y placer a felicitarte....
ya viene amaneciendo...
ya la luz del día nos dió...
levantante querido Ciarán...
mira que ya amaneció

Happy Birthday Ciarán God bless you and all your family!!

With love from Mexico
