

*Birthday wishes 2011*

47. Sylvie - 2011-02-12 11:41:46

"The stream flows out toward its mouth, and the wind of the north toward the source.  
Every man has his hour.  
Have a happy day; don't let your heart be tired, ever!  
Be with your very beloved.  
Don't antagonise your heart during your time of life.  
Have a happy day, in truth.  
Don't irritate your heart with everything that occurs, do not think any more of evil.  
Remind yourself of your happy times, you man of sound heart, witness of Maat, in peace, quiet,  
united with Re, calm and happy, who never speaks badly.  
Intoxicate your heart every day, until the day comes when you must let go. (Harpist's Song -  
1156 BC)"

With these words of wisdom, that's all I want to wish you, on this very day.

Yours very sincerely,

Sylvie

Mr. Hinds,

Please accept my sincere birthday wishes. May you and your family be blessed by the Lord with health and happiness. I've never written a fan letter but your gift has the capacity and depth to move many people. As a matter of fact, I just finally figured out who you were two weeks ago after watching the Tale of Despereaux at home. Once I found out Botticelli was you, it was quite a revelation! See, I remember reading about you a few years ago but never making a connection. Believe it or not, my daughter's name is Ciara, so you would think that it would ring a bell! All I can say is that you are exquisite and seem to keep a pretty low personal profile, which is a rarity. I am looking forward to seeing your future projects and catching up on more of your past films. I am now a very loyal admirer!

Best wishes and many blessings,

Melissa H  
Asheville, North Carolina
